Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Farmer s Boy: A Rural Poem Having had the satisfaction of introducing to the public this very pleasing, characteristic, and original poem, The Farmer s Boy, I think it will be agreeable to preface it with a short account of the manner in which it came into my hands; and, which will be much more interesting to every reader, a little history of the author, which has been communicated to me by his brother, and which I shall very nearly transcribe as it lies before me. In November, 1798, I received a MS., which I was requested to read, and to give my opinion of it. It was left for me by Mr. George Bloomfield, the brother of the author, and he had recommended it with a very modest, sensible, and candid letter. It had before been shown to some persons in London; whose indifference toward it may probably be explained when it is considered that it came to their hands under no circumstances of adventitious recommendation.
