## LOUDER THAN HELL: THE DEFINITIVE ORAL HISTORY OF METAL

[DOWNLOAD](#)

It Books May 2013, 2013. Hardcover. Book Condition: New. From Sabbath to Slipknot, Louder Than Hell is the definitive oral history of heavy metal, straight from the mouths of those who defined it. The book was crafted from more than four hundred interviews conducted over the past twenty-five years by music journalists Jon Wiederhorn and Katherine Turman. They have unearthed never-before-heard stories, eye-opening admissions, and the truth behind some of metal's wildest moments, such as the industrial accident that forever changed the sound of Black Sabbath, the experiences that got Dave Mustaine booted from Metallica, and the bloodletting rituals of death metal bands Morbid Angel and Deicide. Louder Than Hell is packed with raw and unflinching commentary from icons of metal from its inception in the late 1960s to the current day, including Ozzy Osbourne, Bruce Dickinson, Eddie Van Halen, Tommy Lee, Lars Ulrich, James Hetfield, Kerry King, Vince Neil, Axl Rose, Jonathan Davis, Corey Taylor, Pete Steele, Dave Grohl, Trent Reznor, Marilyn Manson, Rob Zombie, Dimebag Darrell, and hundreds of others. From groundbreaking innovations such as the dawn of distortion and the birth of cookie monster vocals to amazing tales of destruction and wild sexual escapades, Louder Than Hell has it all, like the evolution of Judas Priest's seminal powerchord sound and patented leather-and-studs look; the provocative exploits of the Sunset Strip scene; and the truth behind the Norwegian church burnings and murders that became synonymous with black metal. Discover how Faith No More accidentally created rap-metal and who invented the 'devil horns'--and how most people do it wrong. Louder Than Hell is the definitive look behind the curtain at one of our most dynamic and enduring musical genres. To paraphrase Spinal Tap, how much more metal can you get? None, none more metal. The definitive oral history of...
