Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.
(Rodger Hane)

JET LI: CHINESE MASCULINITY AND TRANSNATIONAL FILM STARDOM

EDINBURGH UNIVERSITY PRESS, United Kingdom, 2015. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. This is A study of Chinese stars and transnational stardom focussing on the career of Jet Li. Jet Li is arguably the best martial arts actor alive, and his career has crossed numerous cultural and geographic boundaries, from mainland China to Hong Kong, from Hollywood to France. In *Jet Li: Chinese Masculinity and Transnational Film Stardom*, Sabrina Qiong Yu uses Li as an example to address some intriguing but under examined issues surrounding transnational stardom in general and transnational kung fu stardom in particular. Presenting case studies of audiences responses to Jet Li films and his star image, this book explores the way in which Li has evolved from a Chinese wuxia hero to a transnational kung fu star in relation to the discourses of genre, gender, sexuality, ethnicity and national identity. By rejecting a text centred approach which prevails in star studies and instead emphasising the role of audiences in constructing star image, this book challenges some established perspectives in the study of Chinese male screen images and martial arts/action cinema.
