Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GO HARD OR GO HOME: THE LITTLE BOOK OF OVERLANDING

Black Frog Publishing Limited. Paperback. Book Condition: new. BRAND NEW, Go Hard or Go Home: The Little Book of Overlanding, Andy N. Robinson, Kirsty McGregor, The must-have guide for surviving your overland tour - Travelling from London to Cape Town by road is as challenging as doing it from London to Sydney. Overlanding on a converted truck or bus with two dozen other adventurous, like-minded people requires a special type of person. Forget backpackers on their night buses; forget the 'flashpackers' and the 'glampers'. Overland travel is the way to go. It is all about the nitty gritty, camping under the stars, shopping in local markets, cooking over a fire and getting off the beaten track. A 'Code of Conduct' amongst the overlanding community has evolved over the generations, from the first Hippie Trail overlanders in the Sixties to present day overlanders. Irrespective of the continent you are overlanding through, the Code remains the same; it is universal. Now, for the first time the rules of the road have been brought together in one small book in order to help prospective overlanders survive their arduous trip. Andy N Robinson and Kirsty McGregor have spent almost 20 years between them overlanding on six continents for many of the big names in the adventure travel industry. Through their experience with groups, they know the importance of educating new overlanders so they get the most out of their 'trip of a lifetime'. Go Hard or Go Home really is the Little Book of Overlanding. Written as a humorous yet factual guide, it covers 160 no-nonsense tips that people need to be aware of while on their overland journey. Its short, punchy style covers camping, cooking, group dynamics, when things go wrong, how to behave, how to blend in and countless other topics that...
