Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Histoires Amusantes Et Instructives: A Selection Of Complete Stories From The Best French Authors, Chiefly Contemporary, Who Have Written For The Young; With English Notes Most of the elementary French reading-books now in use, not to say all of them, are composed, either of mere scraps, which, if they begin to excite any interest, from their incompleteness leave it unsatisfied; or of stories complete in themselves, indeed, but taken from very old and inferior authors, such as Madame de Genlis, Berquin, Bouilly, c. - often from writers without any repute or merit whatever. In either case, the object of the educator of youth is obviously frustrated. I may add that, in many of these books, the English of the notes is even worse than the French text which they are intended to explain, and of which they are too frequently gross mistranslations. ### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
