Risk Assessment Framework

By Ray W Frohnhoefer

Ppc Group, LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This guide provides a complete framework that can be used to establish a robust and repeatable risk management methodology at any stage of a project (preferably starting during planning). The accompanying workbook provides forms, tools, and templates to support the framework. It is up to the Project Manager to review, select, and tailor the framework to be appropriate to the project circumstances while also maintaining an appropriate level of control. Risk and opportunity management should be seamlessly integrated with Project Management and not treated as a separate undertaking or something to invoke in the time of a crisis. Risk management needs to be a proactive undertaking. Risk management should be utilized on all projects to communicate awareness of risk and opportunity situations to all stakeholders (e.g. project sponsor, team members, management, customers, partners, and contractors). It is also an ongoing process that needs to be subjected to periodic review and revision. Risk and opportunity management does not need to be associated with high overhead. Most small to medium enterprises and up to moderately complex projects can...
