Troy, Gilmer county, considerable damage; Sherrard, Marshall county, slight. The following valuable and interesting communication was received after the manuscript for this bulletin was prepared. The record of 102 years, as given by Mr. Haymond, is doubtless the best that has ever been furnished with reference to brood XV, and since it is from the most reliable source, it gives us great pleasure to present herewith a copy of his letter. Clarksburg, W. Va., Jan. 18th, 1898. A. D. Hopkins, Esq., Moruantown, W. Va. Dkar Sir: --I have received your letter of the 14th inst., asking for such information as I can furnish in regard to the periodical cicada, generally known as the 17year locust. The cicada of this county...
